In order to save time you can also add a list of files to the .ini.. The government refused to release the movie even though it was a huge commercial success when first released in 2002! Many had thought that the movie would have been distributed and played. That all turned out to change after the release in 2014 of the full version of the movie.. The film is the complete documentary, full color picture, with all the details of the time, the Indian National Anthem as played in India at that date, and the whole event in its full context!.. The movie shows all of India for a full length film. Our goal is to create a real feeling of history and to convey it in a way that helps our children to feel proud of their country..
